

2023 AGRICLIME DRYLAND OFFER

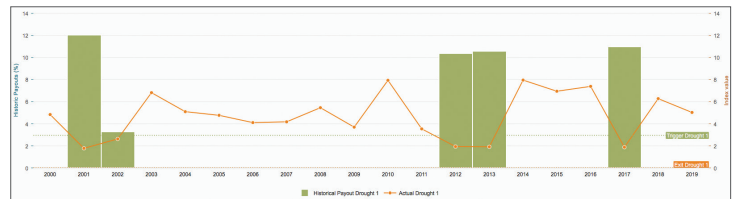

KANSAS & COLORADO

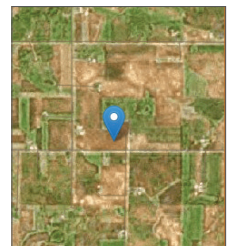

CONFIDENCE TO INVEST IN A BETTER CROP

Adverse Weather: It's hard to plan for success when you can't plan the weather. AgriClimeSM weather protection on program is a risk mitigation offer that provides up to \$15 per acre cash back in times of challenging weather.

Risk Mitigation: AgriClime protects the key growth stages of your crop against adverse weather conditions – and it's built right into your product purchases. With AgriClime, Syngenta can create unique risk protection offers based on 20 years of weather data for any 15x15 mile “weather block”. Based on local weather triggers, AgriClime offers up to \$15 per acre cash back, and confidence to invest in Golden Harvest[®] innovative portfolio.

GRAIN FILL DROUGHT PROTECTION

May 1 – May 31

- up to \$5/acre cash back Corn

June 1 – June 30

- up to \$5/acre cash back Corn

July 1 – July 31

- up to \$5/acre cash back Corn

Some weather blocks may not be eligible for AgriClime based on qualification criteria and lack of reliable or historical weather data.

Syngenta reserves the right to amend this Program at its discretion. Syngenta will apply all discounts to Seed Advisor's account at yearend settlement for the 2020 Crop Year. Syngenta reserves the right to accept, reject, or adjust any discount under the Program offered within this Program Guide. Seed Advisor must be current in all amounts owed to Syngenta and its affiliates for any reason. Syngenta reserves the right to (i) withhold any credit or discount otherwise earned by or offered to Seed Advisor and/or (ii) to offset such amounts against any outstanding balance of Seed Advisor to Syngenta and/or its affiliates for any reason.

This Program document does not constitute an offer and remains subject in all respects to the execution of a definition agreement between Syngenta and Seed Advisor, the terms of which agreement shall control in the event of a conflict between this Program and such agreement.
